

NEW BEGINNINGS HOMES

FALL NEWSLETTER

We have a lot to be thankful for at New Beginnings Homes. As we take some time to reflect on God's blessings, we are especially thankful for the impact of our supporters. Your generosity not only provides essential resources but also demonstrates Christ's love and brings hope to the mothers we serve. Thank you for standing with us to make a difference FOR LIFE!

CARS, KEYS, AND HELPING HANDS

Access to a safe and reliable vehicle is a key step toward a single mother's success. Recently, two of our moms received generous donations of the finances to cover the cost of a vehicle, registration, and insurance. When they walked out their front doors to discover this surprise, they were overwhelmed with gratitude and want to share how this blessing has impacted their lives.

A NOTE FROM LV

Hi, I'm LV! I've been living at NBH since April, and I am expecting my little boy to arrive any day now. Since moving here, I have been overwhelmingly blessed. NBH has had a huge impact on my life, and I can't imagine where I'd be without their support. I am so excited about the car because it means I can take my son to appointments and drive to school. I never thought I would have a car this soon, so I'm still trying to process this incredible blessing. It will also allow me to visit my family. God saw my heart and my need for a car, and He made it happen through some amazing people. I am truly blessed!

A NOTE FROM FIRDAUSE

New Beginnings Homes has helped me to overcome my fear by supporting me with resources. They connected me with resources to get enrolled in driving school and friends that helped me learn to drive. NBH helped me with the resources needed to be ready for birth and caring for my son. They gave shelter to me and my son—a safe place to lay our heads. When I was looking for a job, they provided support so I could find a good job. They have supported me when I had no one to run to and encouraged me to continue to grow. NBH helped me find a car, and now I can drive to work and take my son to daycare. Thank you, New Beginnings, for helping me see the light when I thought I had lost everything. Truly, God is at work at New Beginnings Homes.

PORT TOWNSEND MOMS RETREAT

As the summer came to a close, our staff team had the wonderful opportunity to take the moms on a weekend getaway to Port Townsend. We were able to spend the weekend exploring the town, spending quality time together, and growing in relationship with one another. We continue to see the positive impact that this retreat had on our moms, and we are grateful to YWAM Discovery Bay for their hospitality!

WEBSITE UPDATE!

God works in mysterious ways! Earlier this year, an expectant mother named Ashley joined us, bringing her incredible talent in graphic design. Her eye for detail has been a true blessing —she's created new brochures and many of our recent social media posts. Recognizing the need for a website update, Ashley asked us if she could take on that challenge, and we couldn't be happier with the results! If you haven't visited our website recently, we encourage you to check it out at nbhomes.org. Ashley has done a fantastic job with the much-needed refresh!

VIDEO TESTIMONIES

Earlier this year, we were blessed by a local videographer who recorded testimonies from some of our moms. We've been sharing these incredible stories on our social media, and we don't want you to miss out! God is changing lives, and your support makes this possible. Scan this QR code to visit our YouTube page and hear their stories for yourself!

Christianni - Single Mother & Birth Mothers Program (pictured left)

Christianni's journey with NBH is deeply personal - she began her life at NBH where her mother was a resident. After drifting from God as a young adult, God brought her back to relationship with Him when He led her to NBH during her pregnancy with her daughter, Chloe. She has developed a passion for encouraging women to see the strength and beauty God instilled in them. Christianni has since joined our staff team and lives at House of Blessings, supporting brave women who choose adoption. She also oversees our Single Moms home and loves organizing outings, cooking, and celebrating each woman's achievements.

Miriam - Maternity & Single Mothers Program (pictured right)

Miriam grew up in Arizona and moved to Washington to join the NBH team. She is gifted in hospitality and loves hosting fun filled nights with games, laughter and great conversation with the women here at NBH. She has traveled the world, studied the Bible and has a contagious zeal for Jesus and discipling others. She is the interim house parent for our maternity home and works with Christianni to oversee the single moms home. Miriam enjoys working on our administrative projects and coordinating our volunteers. We are blessed to have her on our team!

Did you know?

All the staff at New Beginnings Homes live as local missionaries relying on support from churches, family, and friends to cover their living expenses and support the work they do. Each staff member is dedicated to making a positive impact by embodying the values of service and love in their daily lives. We invite you to join us in this mission! If you feel led, please consider supporting our staff through prayer or financial contributions. Your support can make a profound difference in their lives as they serve the young women and single moms in our community. If you'd like to partner with one of our staff members by joining their support team, please email info@nbhomes.org. We'd love to connect!
