

NEW BEGINNINGS HOMES

WINTER NEWSLETTER

The weather may be chilly, but life at New Beginnings Homes is as vibrant as ever! The holiday season was truly special, filled with an incredible open house and celebrations that brought our community together. As we step into 2025, we are filled with anticipation for all that God has in store for NBH. Thank you for your support and prayers for our ministry!

THANK YOU FOR THE CHRISTMAS BLESSINGS

The 2024 NBH Christmas party was a hit, and that is thanks to you! Thank you for your generosity in helping our moms and staff team have a very merry Christmas. A special thank you to Thrive Church, Puyallup Nazarene, Riverside Fire, Valentine Roofing, and East Main Vision for your help this year. It is a blessing to have a community of individuals, churches, and business who find joy in supporting the moms at NBH.

LET'S CONNECT IN 2025

As we look forward to 2025, we want to connect with YOU! We know that God has an amazing plan for this ministry, and we believe He is calling the right people to join us in this important work. We would love the opportunity to come and share with your church, small group, or community about the ministry of New Beginnings Homes, the staff opportunities available, and the many ways you can get involved. We believe the people God is preparing for this ministry might just be in your circle of influence. If you're interested in setting up a time for us to speak with your group or set up an info table at your church, please email us at info@nbhomes.org. We would be honored to connect and share how you can be part of this transformative work!

CONGRATULATIONS. ASHLEY!!!

One of Ashley's main goals in moving to New Beginnings Homes was to complete her graphic design degree. We are so proud of her hard work and we're excited to share that she graduated at the end of 2024 with her AAS in Graphic Design. Great job, Ashley! You have worked hard accomplished great things. We look forward to all God will continue to do in and through you. Ashley is looking for work in graphic design, so email us at info@nbhomes.org if you need design help!

2025 VISION

Looking forward to 2025, we want to break ground on new 2bd, 1 bath units for single moms. As we've been working towards this vision, we have run into some roadblocks. However, these past two years have shown major breakthroughs and we are hoping for the same this year. Will you partner with us as we work towards the goal of raising \$1,000,000 USD to cover the cost of infrastructure before moving these homes onto the property? Use the QR code on the left to donate today.

NEW HOUSE

One of our most exciting milestones in 2024 was the addition of our first "After-AfterCare" home right here on our property! This cozy 1-bedroom, 1-bath tiny home with a loft is designed to provide long-term, affordable housing for single moms transitioning out of our House of Hope program. We're thrilled to share that a mom and her 18-month-old son have already moved in and are settling in beautifully. We've named this special place the "House of Faith," reflecting our hope that every mom who resides here will experience meaningful growth in her walk with Christ.

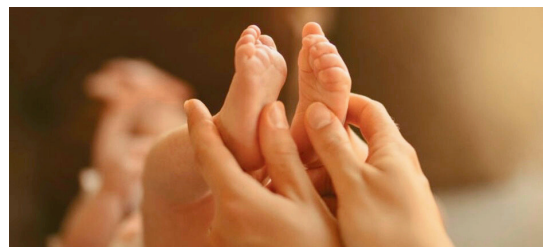

NEW BABIES!!!

Baby Girl K. and Baby Boy R. - our last two babies of 2024 - made their way into the world just before Thanksgiving. Moms and babies are doing great. The little ones are getting big too fast! We are blessed to have both of these families staying with us in our Aftercare program at House of Hope. Please keep them in your prayers.

OUR GREATEST NEEDS:

- 👤 House Parents & Staff Assistant for our Maternity Home
- 👤 Prayer for fundraising for new housing units on campus
- 👤 Prayer for the residents, staff and ministries of NBHomes
- 👤 Interested in hosting an info table at your church or event? Contact us for materials and guidance

CURRENTLY ON CAMPUS:

4 full time staff, 6 moms with their children, 1 pregnant mama, 1 staff kid, and a whole lotta Jesus

PRAISE REPORT:

We are a home full of graduates! In addition to Ashley graduating at the end of 2024, two of our mamas recently graduated from the DreamsWork program offered by Step by Step. We are so proud of them for their hard work and dedication—especially accomplishing this milestone so soon after welcoming their babies!

SNAPSHOTS OF LOVE AND HOPE

We hope you enjoyed these photos from our 2024 Christmas festivities. Thank you for being a part of making a difference in the lives of these moms and their children.

Blessings,
Miles & Debi Musick

A NEW WAY TO SUPPORT US

We are excited to announce our partnership with Seven Weeks Coffee and a new way for you to support the Pro-Life cause. Seven Weeks Coffee exists to fund the pro-life movement by donating a portion of all sales to pregnancy care centers around the country. This now includes us!

If you're already a coffee-drinker, we hope you'll consider switching your preferred coffee brand to Seven Weeks Coffee. This is a great way to enjoy premium coffee and support NBH. Simply use the QR code on the left to place your order!

New Beginnings Homes Dictionary

We know some terms in our newsletters may be unfamiliar, so we've created this quick guide to help you navigate NBH lingo! If there's a term or phrase you'd like us to add, let us know!

YWAM – Youth with a Mission (our umbrella organization). Learn more about YWAM at www.ywam.org.

Birth Mother – A loving mother who has chosen to place her child with a forever family through adoption.

AfterCare – A program for moms (birth moms or parenting moms) who choose to continue living at NBH after the birth of their child. Both programs offer housing and support for up to 18 months post-birth.

- **House of Hope** is the program for parenting moms.
- **House of Blessings** is the program for birth moms.

After-AfterCare – Our extended housing program, designed for moms who have completed an AfterCare program and wish to remain part of the NBH community long-term. This affordable housing option currently serves two moms. We hope to expand by adding more tiny homes to support even more families.
